

# CSO Distributors Meeting

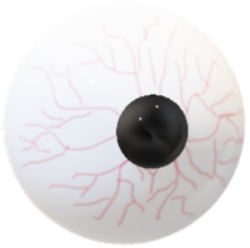

Venice April 2018

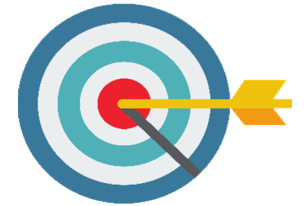

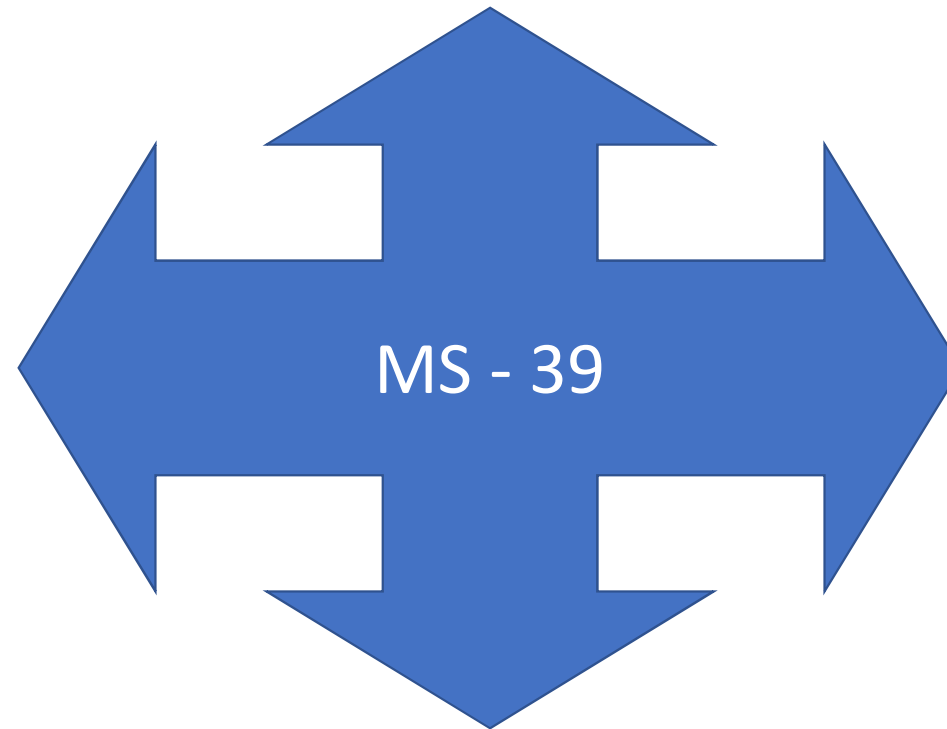

# Hanson Instruments UK experience with CSO MS – 39 Anterior Segment OCT

How do we choose our customer ?

Cornea  
Clinics

Laser Clinics

# Customers Reaction ?

Different approach

Impressed with OCT Sectioning scan quality and resolution

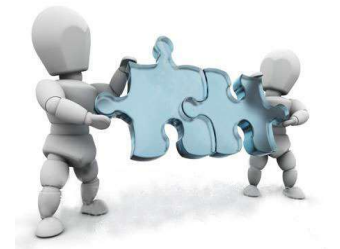

Versatility of the machine

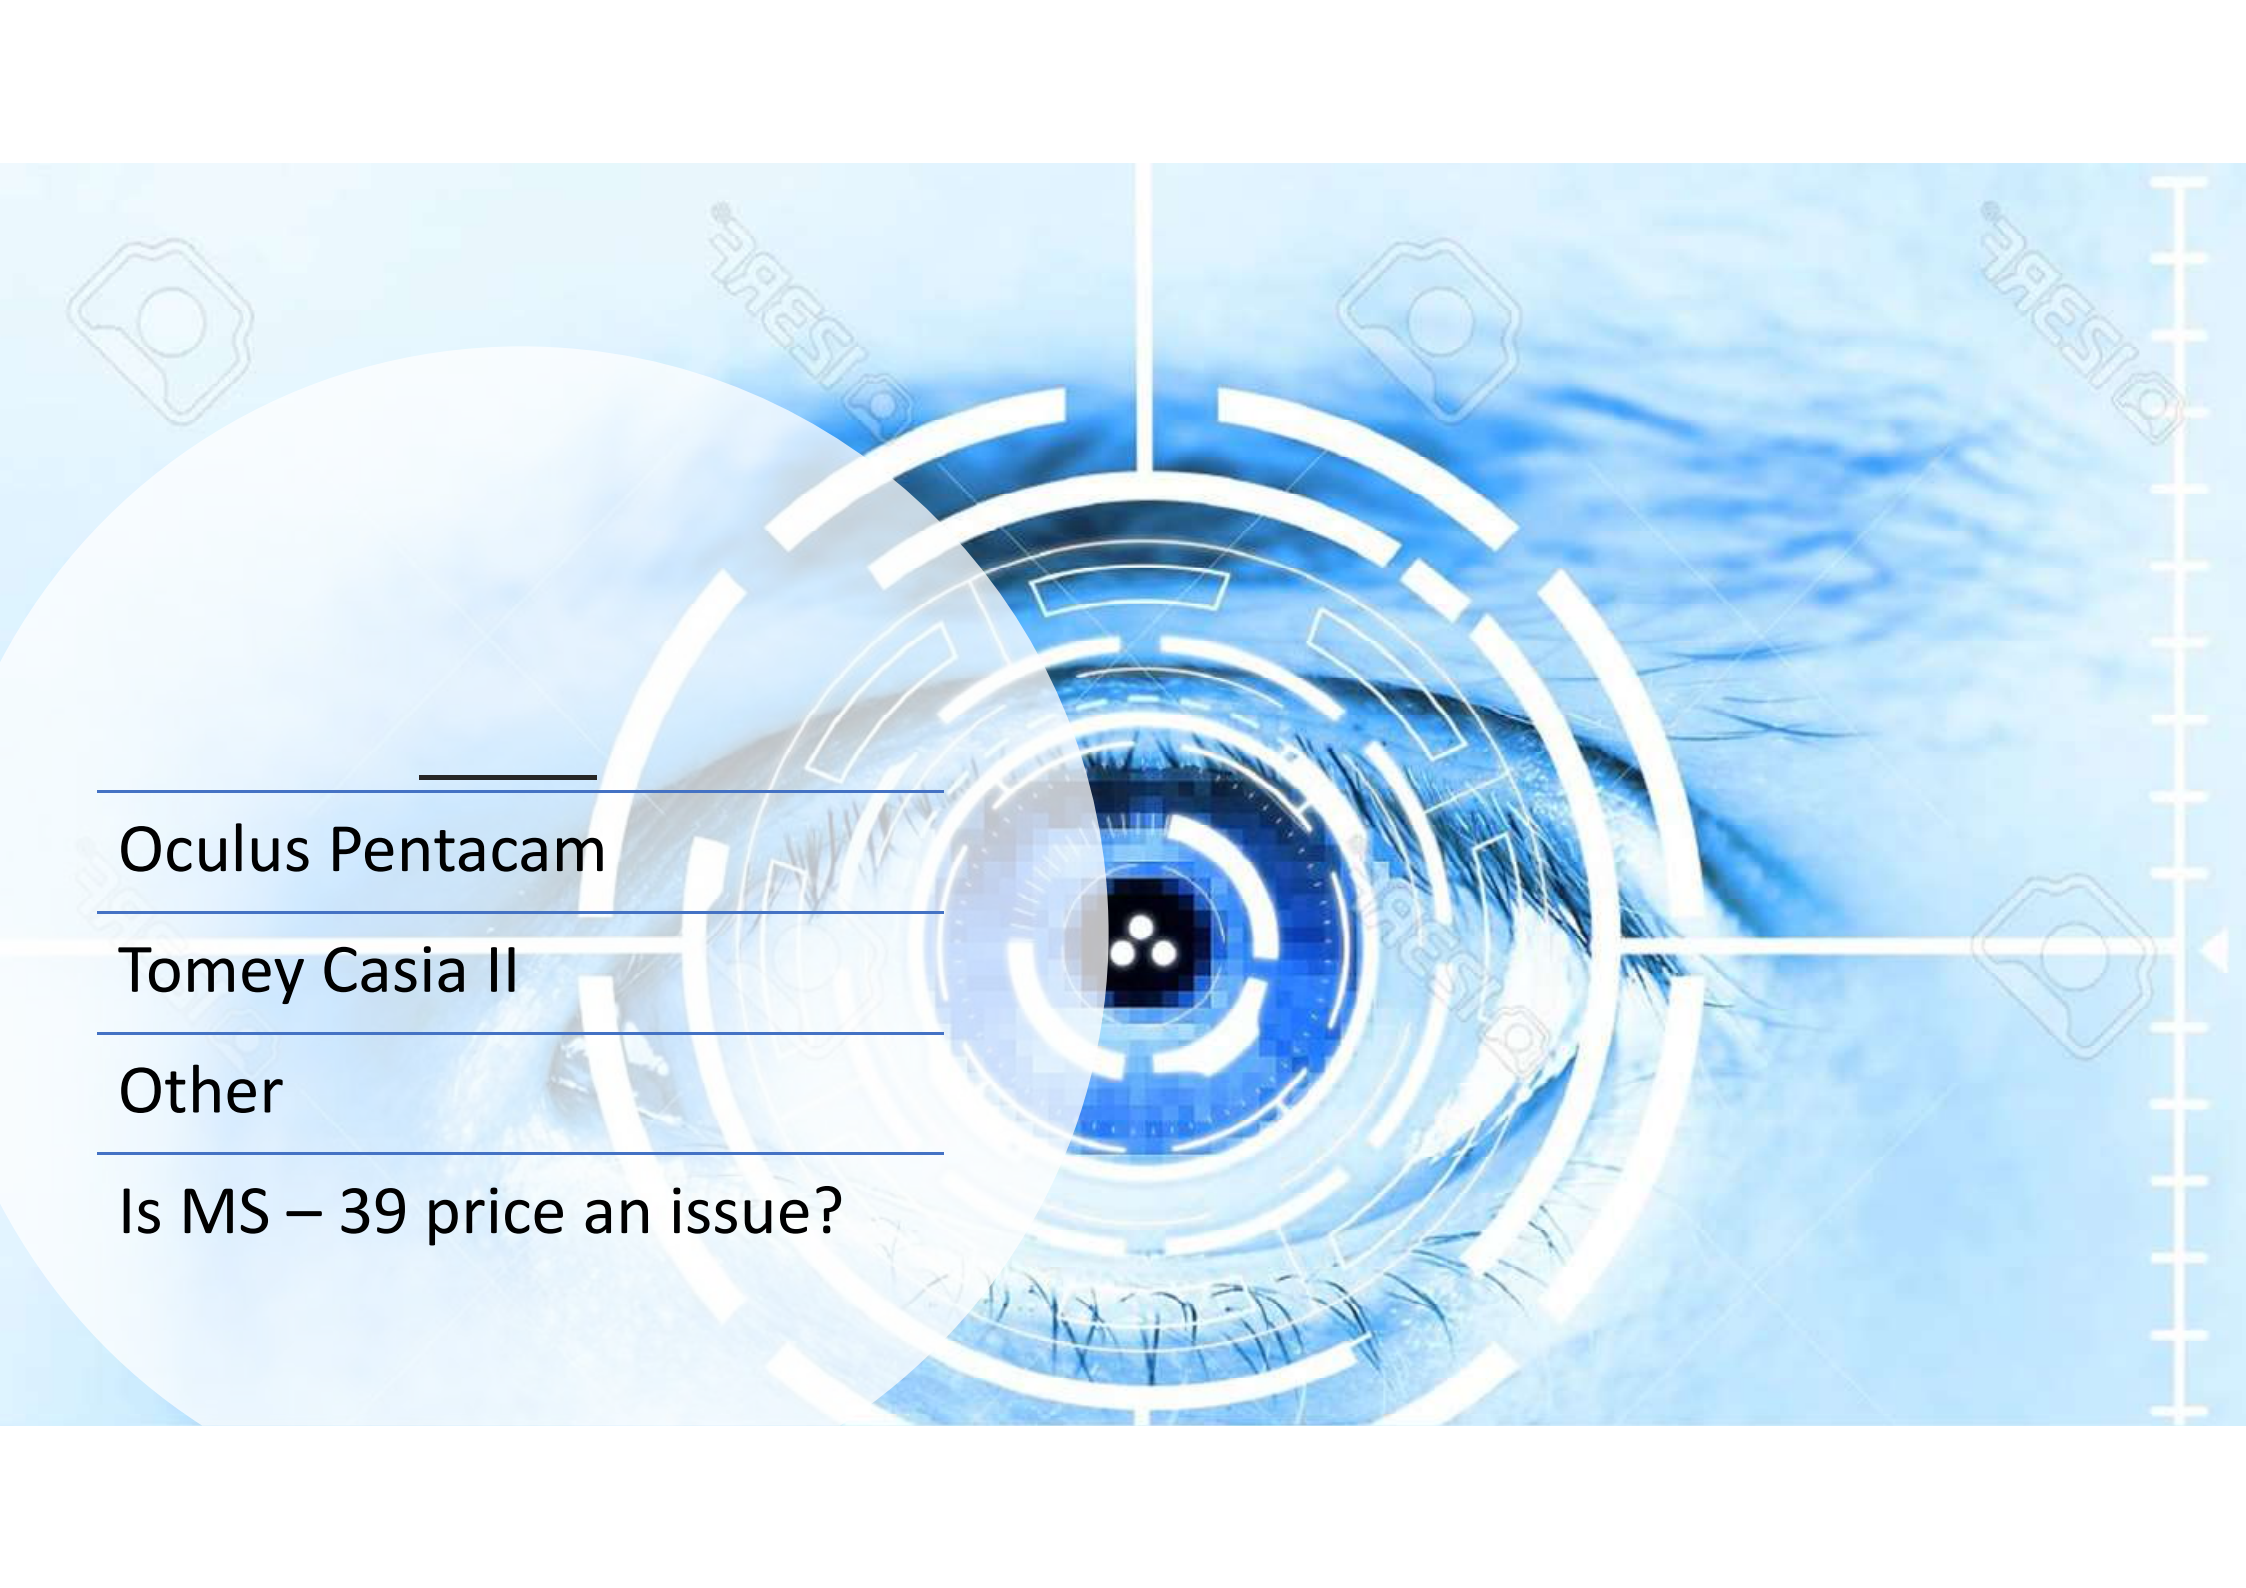

New Technology comparing to Scheimpflug technology

Phoenix Software

Oculus Pentacam

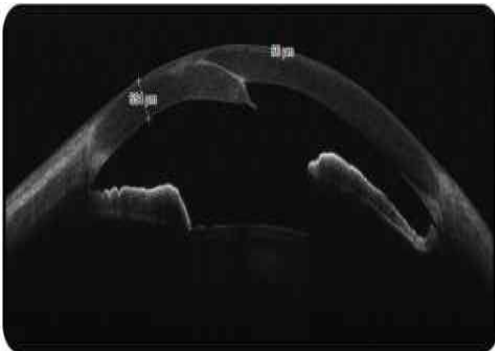

Tomey Casia II

Other

Is MS – 39 price an issue?

Quality of  
Scans

Multi modular software

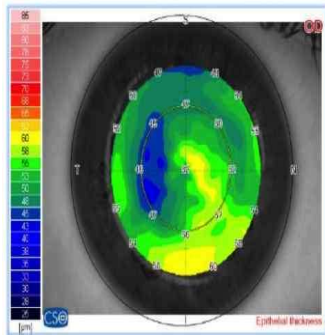

Versatility

New Technology

Oculus  
Pentacam

Zeiss Retinal OCT with  
Anterior Segment  
Adapter / Visante

System Comparison with other machines  
available on the market

Combined in one  
machine –  
Corneal  
Topography plus  
OCT
