

How to report?

Guide to a reporting page

Welcome!

Welcome to your guide to an incident reporting page. We will walk you through the whole online reporting process.

In this guide, you can read about how to:

- Create a written or oral report,
- Access your existing report and see what actions have been taken,
- Send additional information or files.

Reporting page

Welcome to a demo reporting page

This test page shows you a reporting journey of a whistleblower who wants to create a new report or follow up on an existing one.

These are the pages that employees or other persons who want to report an incident land on after clicking on reporting link.

A link to your own reporting page is created automatically when your account is set up. It is possible to create multiple reporting links to differentiate, for example, internal and external reports. This link is easy to share with your employees, partners, or customers.

How to create a report:

1. Click on "Create a new report"

- 2. Follow the instructions and fill out all required fields
- 3. Click on the "Submit" button
- 4. After submitting the report, save the unique access code. The report has been sent and the code gives the whistleblower access to their report, the opportunity to anonymously or confidentially communicate with the organisation, and view the status of their report. They can choose to copy the code, download it or have it sent to their email.

→ Would you like to see how does an organisation see a similar whistleblower report? ← Book a free demo.

Reporting page

- [Organisation] will provide a link, through which you can access a **reporting page**.
- On this page, you can:
- ····• Change language options,
- •••• Read about your company's privacy policy, whistleblowing policy and other relevant information,
- ····• Create a new report,
- ••••• Follow up on existing report.

Access the reporting page here [insert link to reporting page].
